

# E s c a p e

In Mathematics we will start the term by continuing with our Four Operations unit ( + - x ÷ )  
We will then be moving onto Fractions.

## Science

Our Biology unit will be focused on animals (including humans) and we will be learning about the circulatory system, the impact of our diets and how nutrients and water are transported within us.

## Specialist Subjects

**Computing:** Robotics using the OhBot  
**Spanish:** The Solar System  
**Music:** String - Ukulele

## PE

**Invasive games:** Hockey and Rugby  
**Gymnastics:** Travel

Please remember PE kits every Tuesday.  
Thank you.

In our writing this term, we will be researching famous refugees and writing a biography about them. We will also be writing a recount in the form of a diary entry and a non-chronological report.

Our core text will be 'The Boy at the Back of the Class'. We will be reading this together and some of our reading comprehension lessons will be around this text.

## Religious Education

We will be studying the religion of Islam. We will be exploring what it means to be a Muslim in Britain today.

## Geography

Our Geography unit will explore the difference between the Jurassic Coast and Eastbourne. We will be looking at tides and erosion.
