

# Term 1

## Marvellous Me

This term our topic is 'Marvelous Me'. We will be learning all about ourselves, our new friends and our wonderful families. We look forward to developing the children's vocabulary as we share some wonderful stories together.

This is a very important term in Reception, as the children are learning all about school routines and expectations. Our main aim in this first term is to help all the children feel as settled and happy in their new school environment.

We will also be starting to explore new sounds in phonics, and practicing key skills in Maths such as 1:1 counting in Maths.

### Key Messages:

Please make sure that your child brings a **named** water bottle, book bag, and jumper or cardigan into school each day. We will be sending out information about how to view your child's online learning journey towards the end of this term.
