

SPACE EXPLORERS

In Maths this term, we are going to be completing some work on telling the time. We will then move on to measurement, including length, height, weight, mass and capacity. We'll finish off with some position and direction.

In English, we will learn a text with actions and a story map to support us with writing an amazing story, focussing on having an exciting beginning and ending! We will then write a persuasive nonfiction text, persuading someone to visit Drusillas following our school trip!

Our Science learning this term will be all about Space! We will learn the names of the planets and their order. We will also learn about constellations.

In History this term, we will be learning about Powerful Voices such as Greta Thunberg, Rosa Parks and Ghandi.

In our DT this term, we will be looking at Food and Cooking Techniques. We are going to be making Gingerbread men!

In RE this term, we will be learning about Judaism including God's covenant with Abraham, the Jewish belief in one God, the story of Moses and the 10 Commandments.

In PSHE, we will be looking at our 'Changing Me' unit. Please see separate letter for details.

Specialist Subjects

In PE we will be playing cricket and tennis. We are also very excited for our Sports Day!

In Computing, we will be looking at Digital Art with Mr Dawson, creating our own pieces.

In Music, with Mr Avery, we will continue to learn on the Djembe drums!

As the weather gets warmer, please ensure your child comes to school prepared (labelled hats, sunnies, sunscreen!)
