

English

Using our core text 'How to Train Your Dragon', we will be writing newspaper articles and non-chronological reports about dragons.

Art

For our first art topic of the year, we will be using modroc to create our very own dragon sculptures - how exciting!

History

After learning about the Anglo-Saxons in Term 1, we will be turning our attention to the Viking invasions of Britain and how these fierce warriors fought for control of the country.

Science

We will be learning all about forces this term. We will be exploring the effects of forces such as air resistance, friction and water resistance and learning about our key scientist: Sir Isaac Newton.

Computing

Our computing lessons will move on to robotics this term where we will be programming our Ohbots!

RE and PSHE

In RE we will be considering Christianity and the Christmas story. In PSHE we will be celebrating our differences and cultures.

Maths

Our maths lessons will now be on multiplication and division before we move on to fractions.

Raiders and Traders dwsh.me

Our second topic will see us continue our journey through British history, as we look at how the Vikings joined the struggle for the English throne.

RE and PSHE

We will be looking at Christianity in term 2 and will be investigating the key question: *Is the Christmas story true?*

In PSHE, our second topic is entitled, 'Celebrating Difference.'

PE

We will begin to look at rugby and hockey where we will be concentrating on movement and handling in the two different sports.
