

The Final

Year...

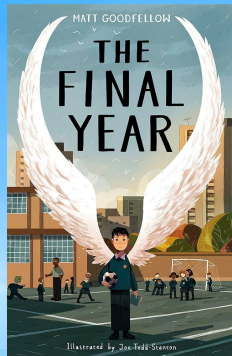

English

We will begin the term by creating a recount from an animal's point of view. We will then write a newspaper report inspired by a very well-known fairy tale. We will then turn our attention to the amazing Matt Goodfellow book 'The Final Year' to look ahead to our transition to Year 7 and inspire thought and writing for our leavers assembly. We will be having an interactive session with Matt Goodfellow himself where the children will be able to take part in a Q and A session and learn about the release of his sequel 'The First Year.'

PSHE (Jigsaw)

Our final PSHE unit is called 'Changing Me' and we will be looking at the many physical and emotional changes we go through whilst growing up. Transition to Secondary School will also become a focus in the lessons later in the term.

Specialist Subjects

Computing: Film: Post production.

Spanish:

My Favourite Spanish Holiday destination: Year 6 project.

Music: Song writing.

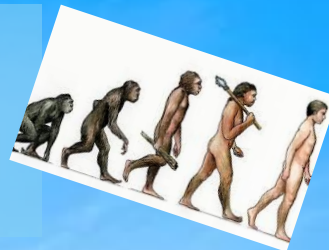

PE / Gym:

Quick Cricket and Athletics(Mr P).

In this, our final term, we will be reflecting on the many memories we have made here at Langney, whilst looking ahead and preparing for our next chapter at Secondary School.

Science

We will be looking at evolution, beginning with looking at fossils and learning about the key scientist Mary Anning. We will also be looking at biomes, habitats and reproduction.

Enterprise Project

The children will be working in groups to generate some extra resources for their upcoming prom. They will be putting their mathematical skills into practice in the 'real world' using budgeting, profit and loss.

There will be more information to follow, but some important dates for your diaries...

- Secondary Transition days for Eastbourne Schools - 01.07.25 and 02.07.25
- Chessington trip - 10.07.25
- Year 6 Prom - 18.07.25
- Leavers' Assembly - 22.07.25
- Year 6 Sports Day is planned for 24.06.25
